BEFORE  
THE PUBLIC SERVICE COMMISSION OF SOUTH CAROLINA  
DOCKET NOS. 2015-203-E, 2015-204-E, & 2015-205-E

In re:

Application of Duke Energy Carolinas, LLC  
for Approval of Rider RNM, Renewable Net  
Metering;

Application of Duke Energy Progress,  
Incorporated for Approval of Renewable Net  
Metering Rider, RNM-1;

Application of South Carolina Electric & Gas Company for Approval of Rider to Retail Rates- Net Metering for Renewable Energy Facilities.

**JOINT PETITIONS TO INTERVENE  
OF  
SOLBRIDGE ENERGY LLC  
AND  
SUSTAINABLE ENERGY  
SOLUTIONS, LLC  
(Supplemental Comments)**

Pursuant to Order Number 2015-552 of the Public Service Commission of South Carolina (“Commission”), dated July 29, 2015, the Joint Intervenors referenced above, (hereinafter as, “Intervenors”) hereby file their supplemental comments to their previously filed and granted Joint Petitions to Intervene, in the above-referenced Dockets. Intervenors would show as follows:

- 1) Intervenors position is that they do not oppose the Commission's approval of the Tariffs proposed by the Companies, in the Dockets referenced above;
- 2) Intervenors position is that they do not request a Hearing in these Dockets at this time;
- 3) Intervenors appreciate the cooperation of each Company and the efforts of the Staff and Director of the South Carolina Office of Regulatory Staff, as to the proposed new Net Metering Tariffs;
- 4) However, Intervenors further position is that they generally concur with the supplemental comments of the South Carolina Solar Business Alliance, filed on even date, in Dockets 2015-203-E, 2015-204-E and 2015-205-E. Intervenors also generally concur with the Office of Regulatory Staff's comment of July 16, 2015, as to Dockets 2015-203-E and 2015-2014-E, "In its Net Metering Tariff, Duke states that generation system size limits will be determined by 'the higher of the AC- or DC-Rated Nameplate Capacity of Customer's installed generation system and equipment...' For consistency with Act 236, ORS recommends Duke strike 'or DC-' from its Net Metering Tariff language in this filing and only determine the generation system size based on an AC rating."

**WHEREFORE**, Intervenor hereby submit their supplemental comments to their previously filed Joint Petitions to Intervene, in Dockets 2015-203-E, 2015, 204-E, and 2015-205-E.

Respectfully Submitted,  
/S/  
Richard L. Whitt
